

having mounted thereon at least an image control CPU and character ROM.

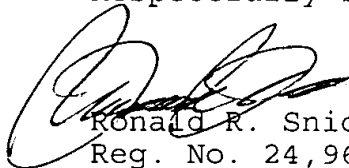

REMARKS

The amendments made to the Claims were made to correct minor errors. The effect of the amendments relate only to matters of form, and the substance of the Claims remain the same. It is respectfully submitted that no new matter has been added by any of the amendments to the Claims.

Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment. The attached page is captioned "Version with Marking to Show Changes Made."

It is submitted that the present amendment places the application in good form for allowance, and an early and favorable action for this application is respectfully solicited.

Respectfully submitted,

Ronald R. Snider
